

Events for person

First be sure that you have added the necessary 'Events for horoscope'.

The very first time you select Event for person you will see

The screenshot shows the 'Tibetan Astrology' website interface. At the top, there is a navigation bar with 'Start', 'Help', 'Contact', and 'Links' buttons. A user greeting 'Hello, demo demodemo' is visible, along with 'Change password', 'Change E-mail address', and 'Log off' links. The main content area is titled 'Events for person' and features a 'Person' table with the following data:

Family name	First name	Birthdate and Time	Gender
Unknown	Unknown	03/25/2016 15:35:34	Unknown

Below the table, there are four expandable menu items: 'Events for person', 'Event type', 'Event', and 'Person'. The 'Person' item is currently selected. At the bottom of the page, the copyright notice reads '© 2009 - 2016 - Karma Deleg Tondrup'.

By Person you will see a lot of "Unknown". This is because you have not used the Events for person. Once you have made a selection you will see the last selected person.

So click on Person and select a person for whom you like to add events.
